An introduction

# Yorkshire Rose Light Blues

## Aim

‘To provide an **environment** where Light Blue Brethren, that is Brethren wearing the white and light blue apron like yourselves, can **enhance** their **masonic journey**, develop into confident Freemasons and socially **interact** through fraternal visits, learning & development and social activities’

# Yorkshire Rose Light Blues

## Objectives

- **Fraternal Visits:** increase engagement in and understanding of the wider masonic organisation while creating a culture of reciprocal visits.
- **Social:** provide a forum for members to meet, interact in an informal and relaxed environment while developing friendships through regular social activities.
- **Learning & Development:** support members in achieving masonic advancement and developing masonic knowledge through lectures, seminars and forums.

# Yorkshire Rose Light Blues

- Membership is **free** and **open** to any subscribing Mason of a lodge within the Province of Yorkshire West Riding **below the rank of Junior Warden**.
- Brethren become members upon their **initiation** and remain so until they become Junior Wardens of their respective lodge at which time membership of the club will cease.
- Our club is for **New** and **Junior Brethren**, there is no age restriction, and every Brother is welcomed gladly.
- For new initiates, all the above information will be included in their welcome pack so they can **familiarise** with our offering, activities and relevant contacts.
- We would like to **encourage** your participation into our upcoming activities, including but not limited to social and networking events, Lodge visits, seminars and lectures.
